ADVERTISING OPPORTUNITIES

PhuketBESTEVENT offers fast, affordable access to the most up-to-date web-based events.

PhuketBESTEVENT offers our clients a highly effective media channel to reach target audiences in a relaxed yet exclusive online environment. We offer our readers numerous interactive functions in addition to high quality editorial content. As a result the typical consumer will browse for up to double the amount of time on our site in comparison to other online publications where the average session is about 5 minutes.
